Subject: Final Approval of Permit Transfer, Southwest Stone, Reef Mine, S/015/0094, Emery County, Utah

Dear Mr. Sagers:

On November 23, 2009, the Division Director approved the replacement surety and reclamation contract to transfer the Notice of Intention to Commence Small Mining Operation (NOI) for the Reef Mine from Castle Valley Stone to Southwest Stone. You are now solely responsible to conduct mining and reclamation operations as outlined in the approved NOI. Castle Valley Stone is released from any further reclamation liability under this permit.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. To make these changes, please use form (MR-REV-SMO/EXP) located on the Division's website www.ogm.utah.gov/minerals.

Thank you for patience in completing this permit transfer. Please refer to file S/037/0094 in any correspondence regarding this operation. Please contact me at 801-538-5261 or Wayne Western at 801-538-5263 if you have questions about this letter.

Sincerely,

Paul Baker
Minerals Program Manager
